

# Support Clean Water

Do you represent a company exploring ways to make a powerful and unambiguous statement about your commitment to sustainability? By partnering with San Diego Coastkeeper, you demonstrate your leadership and commitment to environmental stewardship, your community, and the planet. Your generous patronage helps protect and defend our region’s waterways and coastlines from degradation and pollution. As a brand partner, your support advances critical programs and projects that highlight the importance of clean water throughout San Diego.

## ABOUT SAN DIEGO COASTKEEPER

As the region’s leading water quality “watchdog,” we are fighting for solutions that benefit all San Diegans. By partnering with us, you will:

- ✓ Help protect our rivers, streams, beaches, and ocean.
- ✓ Show your employees and customers your dedication to giving back.
- ✓ Establish your company as an engaged and conscientious member of the community.
- ✓ Demonstrate your commitment to conservation.

## PROGRAM SPOTLIGHTS

**SIX CLEANUP CHALLENGE**  
The Six Cleanup Challenge is our innovative, do-it-yourself volunteer cleanup and community science program.

**ADVOCACY**  
We work with local and regional decision-makers and advocacy groups to push for comprehensive solutions that address water-related issues.

**EDUCATION**  
Our environmental education program delivers important inquiry-based learning to students across San Diego County.
